OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 3rd December 1958

No. 31-Pres./58.—The President is pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer:—

Name of the Officer and Rank

Shri Jagdip Singh Pathania,
Executive Officer (ex-officio Fire Officer-I),
Municipal Committee, Pathankot.

Statement of Services for which the Decoration has been awarded.

A terrific explosion took place on the morning of 24th February, 1958, at Pathankot when ammunition boxes were being unloaded from railway wagons resulting in 43 persons being killed and 13 injured. A devastating fire broke out as a result of the explosion and threatened to envelop the

whole town. But graver still was the risk of further explosion from boxes of ammunition and cylinders of oxygen which had been unloaded and which were completely surrounded by the fire. This was the situation when Shri J. S. Pathania led the Fire Brigade into the spreading conflagration in total disregard of personal safety. He personally initiated the task of salvaging the boxes of live ammunition and other combustible material and with the assistance of Military Fire Brigade Units and rescue parties he was able to bring the conflagration under control within a couple of hours. Shri Pathania displayed conspicuous gallantry and exceptional courage and leadership in conducting the fire fighting operations.

2. This award is made for gallantry under rule 4 (i) of the rules governing the award of the President's Police and Fire Services Medal and consequently carries with it the special allowance admissible to officers of the Fire Services as provided in rule 5.

Explanation

The terms "producer" and "director" used herein will be construed as referring to the producer or the director, as the case may be, as given in the credit titles of the film duly certified by the Central Board of Film Censors.

3. The Awards will be made annually on a date to be fixed by Government.

4. All Indian feature, documentary and children's films certified for public exhibition by the Central Board of Film Censors in the preceding calendar year will be eligible for entry, which may be made by the producer or any other duly authorised person in the Form contained in the Schedule hereto annexed. The term 'documentary film' includes a scientific film or a film intended for educational purposes.

5. In addition, Regional Officers of the Central Board of Film Censors may recommend any feature, documentary or children's films for entry for the Awards.

6. No entry fee will be charged, but the entrant will be required to submit at his cost a print of the film together with an English rendering of the script/synopsis if the film is in a language other than Hindi or English, and publicity material, to such Regional Officer of the Central Board of Film Censors, as may be specified. The entry should be accompanied by particulars of the film such as title of the film, gauge, language, length, name of the producer, name of the director, number and date of the certificate of censorship and date of release, etc. as in the Form referred to in rule 4.

7. The decision of the Government of India whether any film is a feature film, documentary film or children's film for the purpose of the Awards will be final. Government may prescribe the maximum length of a children's film for the purpose of entry for the Awards.

8. Ordinarily, a film which is a dubbed version, a retake or an adaptation of another film will not be eligible for consideration for the Awards. Government may, however, in any particular instance, where it is satisfied that the adapted version or the retake represents a fresh contribution towards the interpretation of the story, allow the entry of such a film for the Awards. The producer of a film made in more than one language versions, may enter only one of the versions of that film. Films based on classics or mythology shall not, by reason of the subject, be deemed to be adaptations.

9. Entries for the Awards will be invited by Government during a period to be notified, relaxable in exceptional cases at the discretion of Government.

10. All transport costs on the consignment and return of the film and publicity material will be payable by the entrant.

11. All films will be submitted at owner's risk and while the Government will take every reasonable care of the films submitted, it cannot accept responsibility for loss or damage to the film while in its possession.

12. Three Regional Committees appointed by Government will initially examine feature films entered for the Awards in the languages indicated below:

- (i) Regional Committee at Bombay—Hindi (including Urdu and Hindustani), Marathi, Punjabi, Gujarati and English.

13. Each Regional Committee will be composed of:

- (b) Not more than four distinguished persons of culture, art or literature nominated by the Government of India in consultation with the State Government concerned with the language. (Care will be taken to ensure that all the languages of the region are represented in the selection of these four persons)
- (c) Persons, not exceeding three, qualified to judge technical standard, presentation, direction and treatment values of films, nominated by Government from a panel of names representing the industry.

14. The Regional Committees will recommend in order of merit a list of three feature films in each language for consideration by the Central Committee.

15. The documentary films entered for the Awards will be initially examined by a Documentary Committee appointed by Government with a membership not exceeding five. This Committee will recommend in order of merit six documentary films for consideration by the Central Committee.

16. The Central Committee will be composed of:—

- (a) A Chairman nominated by Government.
- (b) Chairmen of the three Regional Committees. Where a Chairman is not available to sit on the Central Committee, Government may nominate a member of the Regional Committee concerned on the Central Committee.
- (c) Not more than four distinguished persons of culture, art or literature nominated by Government.
- (d) Persons, not exceeding three, qualified to judge technical standard, presentation, direction and treatment values of films, nominated by Government from a panel of names representing the industry.
- (e) One member of the Central Board of Film Censors nominated by Government.

17. Nothing contained in rules, 13, 15 and 16 will preclude the co-option of an additional member to assist the Central, Documentary or a Regional Committee, as the case may be, in examining films in any particular language and the member so co-opted will have all the rights of an ordinary member.

18. Membership of the Central, Documentary and Regional Committees will be honorary, but the members may be allowed such travelling and conveyance allowances as may be sanctioned by Government from time to time.

19. The Central Committee will consider the recommendations of the Regional Committees and the Documentary Committee. The Central Committee may, for reasons to be recorded in writing, call for the records of a Regional Committee or the Documentary Committee and may also examine any film entered for the Awards but not recommended by a Regional Committee or the Documentary Committee. The Central Committee will recommend in order of merit:

- (1) Three best feature films for the All-India Awards.
- (2) Three best documentary films for the All-India Awards.
- (3) Three best feature films in each language other than English for Regional Awards.

20. The Central Committee, or if the Government so directs, a Special Committee constituted for this purpose, will examine the children's films entered for the Awards and recommend the best three films in order of merit. Where

the recommendations have been made by the special Committee, the recommendations shall be subject to the approval of the Central Committee.

21. The Regional Committees, the Documentary Committee and the Central Committee may determine their own procedure for the examination of films.

22. The quorum of a Regional Committee will be four and that of the Documentary and the Central Committee three and six respectively. The decisions of the Central, Documentary and Regional Committees will be by a majority of the members present.

23. Nothing contained herein shall be construed as restricting the discretion of a Regional Committee, the Documentary Committee or the Central Committee from making a recommendation that none of the films in a particular language or category is of a standard adequate for an Award.

24. The recommendations of the Central Committee will be submitted to Government for approval.

25. A film will be eligible for an Award only in one of the three categories *viz.*, feature, documentary or children's film. A film may, however, be given an All-India as well as a Regional Award in the same category.
